PASTOR'S PONDERINGS...

... for people like us... ...in times like these...

“WALKING PAST THE EMPTY TOMB”

Dear friends & followers of Jesus,

At first glance, Easter was an unbelievable surprise. Even though, time after time, Jesus told his disciples and close-to-the-ear followers... *‘I must go up to Jerusalem before the Chief priests, the Scribes and the elders and be crucified and on the third day rise from the grave...’* they did not believe him. Why would they. No one signs up for that. And then when it happened... they ran for their very lives! We would, too, right? What does it mean for us to walk past the empty tomb of Jesus? The answers are varied and yet worth noting...

- 1) Those who walk by the empty tomb of Jesus, without noticing its emptiness or the story that is attached to it... miss out on a glimpse of the deep mystery of God!
- 2) There are others who walk by and peer inside but take no notice of the details. The burial cloth was “folded” and a reminder of the GREAT HOST of the GREAT MEAL who when leaving the napkin folded was a sign, “I will be back.” The unfolded napkin signaled all is done. So, when anyone looks into the empty tomb to see the “folded” burial cloth of Jesus, it was code for *“I will return -- you can count on this!”*
- 3) Still, there are those who peer in expecting Jesus to still be present. They didn’t think there would be a resurrection. They didn’t consider him to be a truth-teller. They thought when they heard him say, “it is finished” from the cross and watch him take his last breath... they knew this was the end of all hope for renewed Israel and re-claiming the glorified power days of King David... have you figured out where you are, yet?
- 4) Who are the brave ones in the Easter story? Certainly not the disciples... they were hiding out for their very lives as they were quick to imagine... “well, if they came for Jesus... they’ll certainly come for us, next!” It was the women who were bold in the first Easter story... obedient and bold... as they dutifully went to the tomb, expecting fully that Jesus’ body would be there and they would do the right thing by anointing his body according to their practices. Surprise! But, they didn’t sit down and cry over it.
- 5) Second opinions are often quite essential. The scriptures report the women ran from the tomb and straight to the disciples to tell them what they had witnessed. Some of Jesus’ followers heard their report as “an idle tale” yet Peter and the others got up and made haste to the tomb to find the women were telling the truth. From then on they couldn’t keep their mouths shut. AND we are the recipients of this story...

What now? The tomb is still empty. Will you walk by? Will you look in? Will you share the news? As we say we are *“an Easter people”* it means that Jesus is risen and he is our hope. Our only hope... the only hope we’ll ever need... Christ is risen! He is risen indeed!

New Life; *now!*

Bob

Dear Brothers and Sisters in Christ,

This article is an update on the storm which is about to hit. Some of you may not have a clue as to what I am referencing. If this makes no sense to you please ask me, any church council member or Pastor.

In the first part of April we mailed in the missing 941 forms to the IRS. The Synod CPA has been assisting and advising us. Shortly, we will be receiving letters from the IRS, probably not nice ones. We are prepared to start addressing these as we receive them. We will call a special congregational meeting when we have a better understanding of our situation.

I want to thank the congregation for stepping up and helping us in preparation of the difficult times which lay ahead. I also want to thank all of the faithful people of this congregation. If not for your support this congregation would not thrive. Many of you have offered additional support when we need it. The time is coming. It is really great to see this congregation practicing "Whole Life Stewardship".

It is really nice to talk to returning visitors and ask them what they liked about this congregation and have them respond "The people here really made me feel at home", that says a lot about you. I hope that this continues and spreads into our community.

Please feel free to talk to me about any concerns which you may have.

In Christ,

Rudy Moreno

Youth & Family

Hello, New Life Church family,

The Holy season is now complete. Of course, the Holy way of life that each of us is called to never concludes. I was given the opportunity to lead 3 of the 5 Wednesday night services and really appreciate each and every brother and sister (younger and older) who attended. Thank you so much for showing your heart for worship. During the holy week, we had our annual Seder meal with lots of new faces. Thanks to everyone who brought a side dish, helped with decorations and provided the lamb (pastor cooked a delicious lamb!). Maundy Thursday was as touching as ever with first communion recipients and the newly baptized. Good Friday was moving, and the fish fry was terrific. Thanks to all the cooks and helpers (it was the least I could do to do some dishes). The Easter children's celebration was bright, joyful and sweet as the kids filled their baskets, bellies and hearts. Thanks again to all the helping hands.

Easter Sunday was a wonderful and appropriately special Sunday. Attendance was great; the breakfast was delicious. Worship was full especially at the 10:30 service. The children's sermon is always more lively with a full house. Thanks for coming to worship the Lord on that day. Let us strive to keep the resurrection of Christ first and foremost in our hearts and minds, indeed.

We continue to spend time together in the context of LYO Sunday lunches. I always appreciate our students who invite other students to eat, share and spend time together. That is a highlight of these lunches. John Russell in particular continues to invite many of his friends to enjoy church and lunch afterwards. Because of him, I was able to preach at CITY at Turner in April. I may be able to do that again before the school year ends.

Faith 5 continues to be a long and steady journey, to say the least. As we continue to encourage each family, parents are beckoned to take up their spiritual mantle and leadership roles in their families. Faith 5 gives you some guidelines to do that: share, read, talk, pray and bless as many times as you can throughout the week. As we are always seeking God's will, I hope we can sincerely do our best to be the spiritual leaders of our families. Do your best to spend time with your kids in a spiritual way so that Jesus is real and relevant every chance you get.

Student Recognition Sunday (will already have come to pass) and Senior Graduation Sunday will be on the first Sunday of May. Let's keep them in your prayers as our younger brothers and sisters in Christ grow one year older.

Thursday, May 9 is the monthly garden lecture, sponsored by Brazoria County Master Gardeners and Keep Pearland Beautiful. This month Ellen Pedisich will tell us how to build a pest free compost pile. The lecture begins at 7 o'clock. All garden lectures are now taking place at the new Delores Fenwick Nature Center next to the recycle center located in the John Hargrove Environmental Complex, 5750 Magnolia Pkwy.

Monday, May 20 is Open Garden Day at the Harris County Master Gardeners' "Genoa Friendship Garden" on Genoa Red Bluff at 9 A.M. Come and enjoy the multiple gardens, orchards, and flower/herb gardens. There are always plants for sale in the greenhouse as well.

I hope everyone got the message in time to participate in the Drug Take-Back Day at the Stella Roberts Recycle Center. If you missed it, you can store them at home in a safe and secure place until the next one on October 26 or take them to the Alvin Police Department where there is an ongoing drug take-back system.

Last September I wrote about the accumulation of ocean debris in the sub-tropic ocean gyres, created by the natural ocean currents, and the ambitious efforts of Boyan Slat and The Ocean Cleanup. They launched their system in the Pacific Ocean at the end of last year. So far there has been minimal success and they have been making many adjustments. It is still a work in progress and they are still determined to clean the ocean. In the meantime, most coastal communities continue to deal with seaside litter from land and sea. Sea life continues to die from ingesting debris and getting trapped and strangled by nets, plastic rings and other objects no longer useful to the original user. Litter prevention still seems to be the key.

One of my favorite columnists in the Houston Chronicle is economist Chris Tomlinson. On April 15 in the "Texas Inc." section, he wrote an article entitled "Plastic Waste Requires Actual Conservatism". He makes a great case against the production and use of plastic straws. Of course, fossil fuels are necessary in the production of plastic and there are many types of plastic. I can't imagine a world where plastics don't exist. The environmental problem arises when plastic is used unnecessarily, when it is not disposed of properly, and when fossil fuels are extracted and processed without considering the best way to proceed with the least amount of environmental impact. As an example of the chemical industry's concern with plastic waste, he quoted Dow Chemical CEO, Jim Fitterling, who said in a recent speech, "There are no deniers out there that we have a plastic waste issue. Everybody has confronted that; everybody sees that issue and is willing to tackle it." He informs us that global plastic sales topped 440 million tons last year and 88 million tons ended up in the ocean. He also tells us that according to Orb Media almost 85% of worldwide tap water samples were contaminated with microscopic plastic fibers as well as 93% of bottled water tested from 11 major brands.

Mr. Fitterling goes on to discuss putting value on plastic waste and creating sustainable, circular supply chains. It makes business sense as well as environmental sense. There are industrial and international coalitions addressing the problem of plastic waste, but your choices are still important. You can decide, when plastic is the right choice and you can make the effort to dispose of your choices properly. We can't recycle all plastics yet. That is not the only solution. Reduce your use of plastic, recycle when you can, and be careful how you dispose of it.

To read Chris Tomlinson's entire article, check the Houston Chronicle archives for the Monday, April 15, 2019 edition of TEXAS INC. or ask me for my hard copy. It's a worthwhile read.

Turtle Patrol started April 1st. Karen, Terry and MaryAnn are trekking 6.5-8 miles every Friday til mid-July.

The GLOW team meets on the second Thursday of the month at 7:00pm in the Fellowship Hall. GLOW welcomes new care ministers! The team sends cards, makes phone calls, provides communion, and sets up meal schedules for those in need.

Thank you to all who served coffee and juice (and more) and/or cleaned up during Fellowship Hour!

Coffee Hour at New Life Lutheran is a wonderful opportunity for visitors and members of our church to meet one another in an informal setting between Sunday services.

If you enjoy having breakfast and fellowship, please consider pairing up with other members to host a week to serve in this important ministry. On past Sundays where there was no sponsor, therefore no food, several people were surprised and complained. As the church cannot fund breakfast, if no one brings food, there is none to serve. If you and/or your family expect something more than coffee—bring something.

Note that MOST 1st and 2nd Sundays of the month NEED Sponsors.

Contact Tiffany Brown-Pineda at CommunityLife@newlifelutheran.com or the church office (281-485-1818) or to sign up!

These petitions are offered as guides to prayer for the global, social and outreach ministries of the church. Thank you for your continued prayers for the life and mission of this church.

1 Throughout Asian Pacific American Heritage Month, give thanks for the rich history, gifts, influence and contributions to our nation of our Asian and Pacific Islander brothers and sisters. Ask God to bless and further the work and witness of ELCA Asian and Pacific Islander Ministries and the Association of Asians and Pacific.

2 *National Day of Prayer* Encourage individuals, congregations and communities to pray, asking the Spirit to help us — and our nation — follow Jesus' instruction to "Love one another as I have loved you" (John 15:12).

3 Remember in prayer the leaders, voting members and others gathered for the assemblies of the Southeastern Pennsylvania, Rocky Mountain, Northeastern Minnesota and Minneapolis synods, that the Spirit will strengthen, guide and encourage them in doing God's work in the world, proclaiming the gospel and growing the church.

4 Remember in prayer the leaders, voting members and others gathered for the assemblies of the Northwest Synod of Wisconsin, South-Central Synod of Wisconsin, Western Iowa and Arkansas-Oklahoma synods, that the Spirit will strengthen, guide and encourage them in doing God's work in the world, proclaiming the gospel and growing the church.

5 How will we react when God calls us to do something or go someplace new and unfamiliar? Pray that we will follow where the spirit of God leads, find companions in ministry to work with and invite others to join in doing God's work in the world.

6 Pray for students who are taking final exams and anticipating employment, further education, or vocations of leadership in the church or military service. Ask God to grant them comfort and reassurance in times of stress and uncertainty, and to provide supportive, attentive and loving people in their lives.

7 Ask God to bless and energize our church's commitment to wholeness for creation in collaboration with ecoAmerica and its Blessed Tomorrow program, which helps faith-based organizations care for creation and elevate their leadership on climate change as a moral, religious and justice issue.

8 The ELCA International Camp Counselor Program, partnering with Lutheran Outdoor Ministries and ELCA Global Mission, trains up to 40 Lutheran young adults from Europe, Asia, Africa and Latin America. Pray for these young adults, who serve as leaders and global partners in our summer camp programs. Give thanks for the faith, gifts, leadership skills and global perspectives they bring to their work with children, youth and adults.

9 God worked miraculous changes in the heart, mind and life of Saul that he might spread the gospel, grow the church and serve his neighbor as the reborn apostle Paul. Give thanks for how God calls us by name, equips us for ministry and service, and reaffirms that there is a place and purpose for everyone in the church, the body of Christ.

10 Remember in prayer the leaders, voting members and others gathered for the assemblies of the Oregon, Pacifica and Southeastern Iowa synods, that the Spirit will strengthen, guide and encourage them in doing God's work in the world, proclaiming the gospel and growing the church.

11 Remember in prayer the leaders, voting members and others gathered for the assembly of the Sierra Pacific Synod, that the Spirit will strengthen, guide and encourage them in doing God's work in the world, proclaiming the gospel and growing the church.

12 Pray that we will trust that Jesus is the true son of God and will be faithful and fearless in following his examples and teachings revealed to us in Scripture.

13 Remember in prayer the ELCA's work of using innovative models for starting new congregations and ministries in a diverse and changing world as we seek to grow God's church, welcome all God's people and equip our neighbors with both spiritual and physical sustenance.

14 Thank God for being a loving and ever-present shepherd who restores us, stirs our courage, strengthens our faith and guides us through the challenges and joys of life.

15 Give thanks for ELCA campus ministry, communities of faith that accompany students in their journeys of faith, education, service and discerning vocation at more than 180 state and private colleges and universities and at an additional 400 schools nationwide with assistance from congregations.

16 Remember in prayer the leaders, voting members and others gathered for the assemblies of the Northern Great Lakes, East-Central Synod of Wisconsin, North/West Lower Michigan and Metropolitan New York synods, that the Spirit will strengthen, guide and encourage them in doing God's work in the world, proclaiming the gospel and growing the church.

17 Remember in prayer the leaders, voting members and others gathered for the assemblies of the Saint Paul Area, Texas-Louisiana Gulf Coast and Southeast Michigan synods, that the Spirit will strengthen, guide and encourage them in doing God's work in the world, proclaiming the gospel and growing the church.

18 Remember in prayer the leaders, voting members and others gathered for the assemblies of the Northwest Washington and Eastern Washington-Idaho synods, that the Spirit will strengthen, guide and encourage them in doing God's work in the world, proclaiming the gospel and growing the church.

19 Pray that, as the body of Christ, we encourage one another and work together to follow Jesus' words in our daily lives: "I give you a new commandment, that you love one another. Just as I have loved you, you also should love one another. By this everyone will know that you are my disciples, if you have love for one another."

20 Remember in prayer people who are traveling across the country in search of seasonal employment. Pray that they find employment, fair wages, fulfillment of basic needs for housing and food, and welcoming congregations that understand the unique needs of seasonal workers.

21 Give thanks for the special skills, creativity and enthusiasm of people who write blogs, online stories, social media posts and newsletters that help communicate how congregations, synods, the churchwide organization, ecumenical partners and related organizations are sharing the good news of Jesus Christ, serving our neighbor and working together for justice, peace, mercy and healing in the world.

22 Ask God to make us bold, persistent advocates and agents in society to end gun violence across our nation, for the sake of our neighbor's well-being and out of gratitude and respect for the fragile gift of life.

23 Pray that our vision of the church and its mission will be broadened by the knowledge that the word of God and the good news of Jesus Christ are meant for all people and all nations.

24 Pray that the ELCA Guardian Angel and Welcoming Congregation programs will flourish and continue to expand across our nation as part of our church's strategy to support and accompany — physically and spiritually — migrant children and families through their immigration court process.

25 Praise God's infinite power, glory and presence as reflected in our life experiences and every aspect of nature and creation.

26 Give thanks for the gift of the Advocate, the Holy Spirit, sent to remind us of Jesus' teachings and God's love, and to stir our faith, peace and courage when we are troubled or fearful.

27 Give thanks and praise God for the significant and lasting impact of *Always Being Made New: The Campaign for the ELCA*. Pray that we will build upon what it has accomplished and continue to be generous in supporting new and existing programs and ministries that serve our neighbor, nurture new leaders and grow the church.

28 Pray with joy and thanksgiving, for God is gracious and generous in blessing us, and God's saving power stretches to every corner of the earth.

29 Pray for more than 3,500 summer camp staff and volunteers as they prepare to serve in ELCA outdoor ministries as role models, affirming and encouraging the faith of campers — of all ages and abilities — and guiding them toward the paths and ways of God throughout life.

30 Remember in prayer the leaders, voting members and others gathered for the assemblies of the South Dakota, Nebraska, Upstate New York, Delaware-Maryland and North Carolina synods, that the Spirit will strengthen, guide and encourage them in doing God's work in the world, proclaiming the gospel and growing the church.

31 Remember in prayer the leaders, voting members and others gathered for the assemblies of the South Carolina, Southeastern, Southwest California, Southeastern Minnesota, Greater Milwaukee and West Virginia-Western Maryland synods, that the Spirit will strengthen, guide and encourage them in doing God's work in the world, proclaiming the gospel and growing the church.
